Dear Parent/Carer,

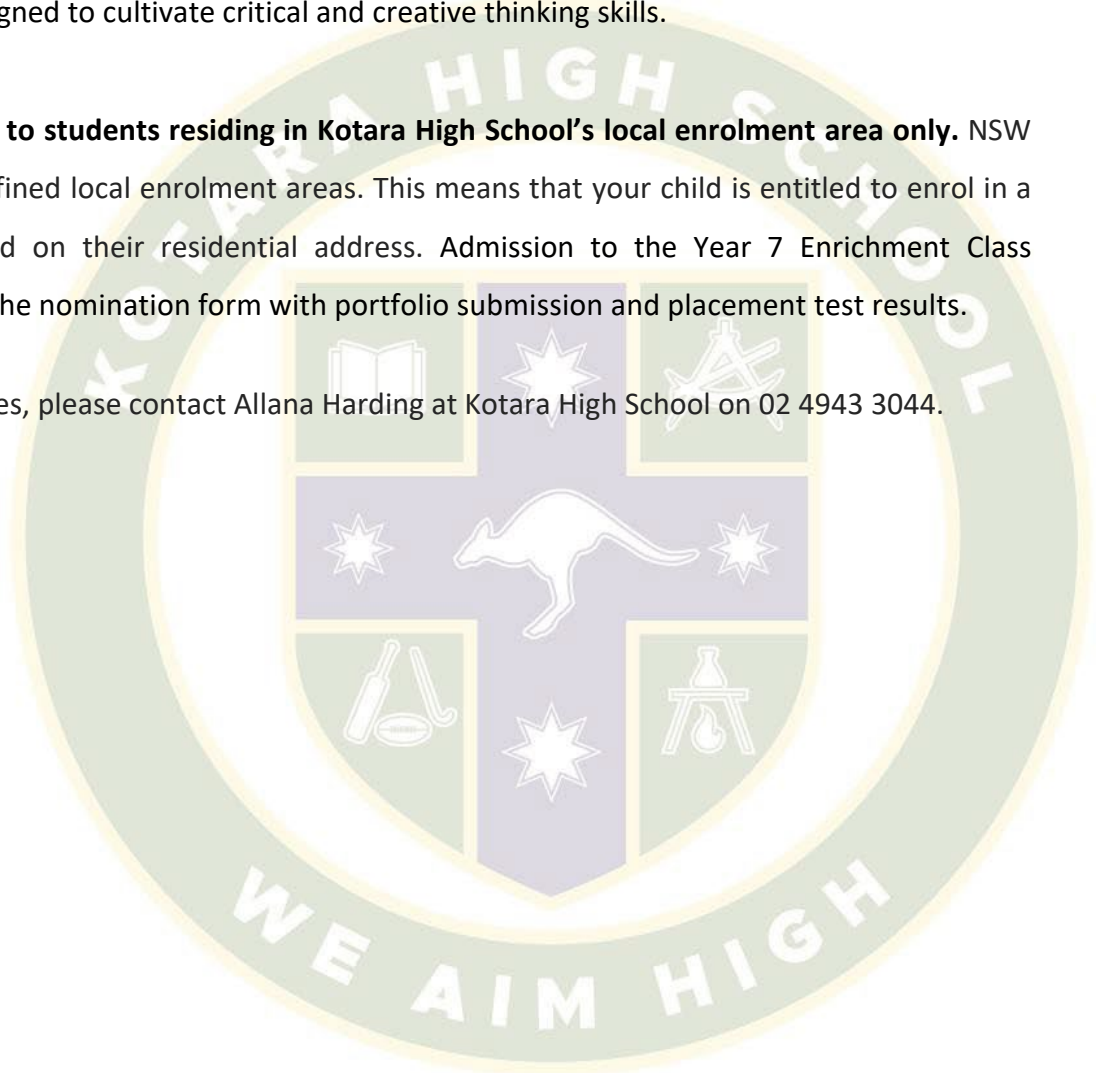

Kotara High School aims to provide a challenging curriculum that maximises the learning outcomes of high potential and gifted students. We will be offering an academic enrichment class to exceptional Year 7 students in 2025. We are looking for innovative creative thinkers with excellent problem solving skills. High achieving academic students will have the opportunity to learn in a challenging environment alongside students of a similar ability in all of their subjects for Year 7. In differentiating teaching programs, teachers will incorporate a variety of teaching and learning strategies designed to cultivate critical and creative thinking skills.

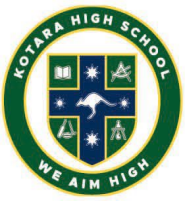

**Nominations are open to students residing in Kotara High School's local enrolment area only.** NSW public schools have defined local enrolment areas. This means that your child is entitled to enrol in a particular school based on their residential address. Admission to the Year 7 Enrichment Class 2025 will be based on the nomination form with portfolio submission and placement test results.

If you have any enquiries, please contact Allana Harding at Kotara High School on 02 4943 3044.

Yours sincerely,

Mark Snedden  
Principal

## Nomination Form for Enrichment Class 2025

Kotara High School aims to provide a challenging curriculum that maximises the learning outcomes of high potential and gifted students. We offer extensive enrichment opportunities for gifted and talented students to pursue their interests and exceed their potential. Students in the Year 7 Enrichment Class learn in an empowering environment alongside students of a similar ability. They engage in enrichment and extension activities in all of their subjects for Years 7.
