

## SPORT SELECTIONS TERM 1 - 2022

Dear students and parents/guardians,

All students in Years 8 - 10 participate in sport on a Wednesday afternoon. Students will be asked to select their sport for Term 1 2022 during Term 4 2021, ready to start in Week 1 - Term 1 2022

Students will be emailed their individual log in details to their Department of Education email address with instructions how to select Term 1 2022 sports online.

Selections will be open for 7 days from **Wednesday 1 December to Wednesday 8 December 2021**.

- There are a number of sports offered as part of our sports program and students have a wide variety to choose from. It is an expectation that students take the time to select a sport
- Places are limited in each sport and will be available on a 'first in, best dressed' basis
- Students must select THREE reserve sports in case their first preference is full or doesn't run
- Students can log in multiple times before the closing date if they wish to adjust their choices
- Please choose wisely as swapping sports after the selection time can be difficult and will only occur under exceptional circumstances.
- Any students who have not chosen by the closing date (5pm Wednesday 8 December 2021) will be allocated a sport and will not be allowed to change.

Permission notes can be found on the school website in early 2022, or can be collected from the PD/H/PE Staff Room. **All notes must be returned to the PD/H/PE Staff Room.** Parents and students must be aware of the unlikely, however, inherent risk of some activities and as a result some sports will require the completion of a permission note AND waiver form.

All Sport fees will be invoiced as soon as sport groups are confirmed.

Please ensure payment is made before the first week of sport in Week 2 - Term 1 2022  
Students who fail to pay prior to the second week of sport may be removed until the costs are met.

Sport options and further information are included over the page.

Justin Paterson - Sport Organiser

All sports have limited places (numbers in brackets) so students need to choose early in order to receive their preference. Please note that some sports may not go ahead if minimum numbers are not met.

*Please do not select a paying sport if you cannot commit to the entire fee – weekly &/or travel*

***Sport fees will be invoiced. All payments must be made before Wednesday 9 February 2022***
